

Using Aplia In Finance Classes: Student Perspectives And Performance

R. Daniel Pace

University of West Florida

Keywords

Education, Pedagogy, Technology, Aplia

Abstract

The author, an early adopter of Aplia, describes the use of Aplia both pre- and post-acquisition by Cengage Learning. Students improve their exam scores (by 5 to 7 percent) and are receptive to using Aplia. Students report despite spending between 7 and 9 hours a week on Aplia assignments, they would gravitate to future offerings that included Aplia assignments.
