Western Libraries

Scholarship@Western has Moved

The page you are looking for was on a platform called Scholarship@Western, which is no longer available.

We are now using these platforms:

- Western University's Open Repository, for our institutional repository, including published theses and dissertations
- Omeka S, for digital scholarship collections
- Open Monograph Press (OMP), for e-books we have published
- Open Journal Systems (OJS), for journals we publish

Content that was on Scholarship@Western and had only descriptive metadata, with no associated file(s), was not migrated and is no longer available on one of our platforms. This includes conference websites that had only event information and schedules, with no associated presentation files. Archived versions of those pages may have been preserved by the Internet Archive's Wayback Machine and may still be accessible there.

If you arrived at this page from a bookmarked link or citation, there is a good chance that the item you are looking for was not migrated

Everything that was on Scholarship@Western and had an associated file has been moved to one of the above platforms. Please navigate to the relevant platform and search for the item you are looking for there. If you have a bookmarked link or citation to a URL starting with https://ir.lib.uwo.ca, that link should take you directly to the new platform for the item.

If you are at this page to submit your thesis for examination, please go to the Veritas portal managed by the School of Graduate & Postdoctoral Studies (SGPS). For all questions about thesis submissions and examinations, contact SGPS at thesis@uwo.ca.

If you are unable to locate the content you are seeking, or if you would like assistance identifying where or whether a particular item was migrated, please contact the Research & Scholarly Communications (RSC) Team at rsclib@uwo.ca.
