Biographies

Ruth Pearson is Professor Emeritus of International Development at the Centre for Global Development, University of Leeds, UK. She sits on the Management Committee of the UK Women's Budget Group, and is Trustee of HomeWorkers Worldwide. She is associate editor of the Oxfam journal *Gender and Development* and an advisor to Plan International's *Because I'm a Girl* project. Her widely published research focuses on women's employment, migration and resistance in Latin America, South East Asia and Europe, including recent work on Burmese migrant workers in Thailand, and South Asian women's experience of work and militancy in the UK from Grunwick to Gate Gourmet.

Diane Elson is Professor Emeritus of Sociology and a member of the Human Rights Centre at the University of Essex, UK. She is a former Vice President of the International Association for Feminist Economics and currently chairs the UK Women's Budget Group, a network of researchers and trade union and NGO policy officers that analyses UK economic policy from a feminist perspective. She has published widely on gender equality, human rights and economic policy, including articles in *World Development*, *the Journal of International Development*, *Feminist Economics*, *the Journal of Human Development and Capabilities* and *International Review of Applied Economics*.
