Biographies

Brenda L Berkelaar is Assistant Professor of Organizational Communication and Technology in the Moody College of Communication at The University of Texas at Austin, USA. Her research focuses on

work and careers. In particular, she examines the ways messages and technologies influence how people understand and practice work and careers as individuals and in organizations, within and across societies. Her research has been published in *Communication Monographs*, *New Media & Society*, *Management Communication Quarterly*, *Communication Yearbook* and edited collections. [Email: b.berkelaar@austin.utexas.edu]

Patrice M Buzzanell is Professor of Communication in the Brian Lamb School of Communication (and Professor of Engineering Education by Courtesy) at Purdue University, USA. Her research centers on the everyday negotiations and structures that produce and are produced by the intersections of organizational communication, career and gender. In addition to three edited books, her work has been published in journals including *Communication Monographs*, *Human Communication Research*, *Communication Theory*, *Journal of Applied Communication Research* and *Human Relations*. [Email: buzzanel@purdue.edu]
