Biographies

Amy Armenia is an associate professor of sociology at Randolph-Macon College. Her prior research is on union and professionalization campaigns for child care workers. She is currently co-editing a collection on paid care workers.

Naomi Gerstel is a distinguished university professor at UMass, Amherst. Her research, funded by the National Science Foundation, Russell Sage, Sloan, and Rockefeller, examines time as a dimension of inequality, kinship, and work/family policies. A past chair of the American Sociological Association Family section, she is a recipient of the Conti, Rosabeth Kanter, and Robin Williams awards.

Coady Wing is an assistant professor of health policy and administration at the University of Illinois at Chicago. His other work concerns research designs for causal inference, occupational regulation, and the health and economic outcomes of veterans.
