Notes

1. Dunning ([1977](#), [1980](#), [1981](#), [1995](#), [2000](#), [2001](#) and [2006](#)).
2. The detailed correlation matrix can be provided on request.
3. Please note that a high inflation rate is unattractive for investment activity. The previous rescaling of the raw-data leads to the positive sign of the “inflation” estimators.
