Abstract

In a study remarkable for its ignorance of the difference between the non-probabilistic macroeconomics of Keynes and Shackle vs Keynesian macroeconomics, Lucas and Sargent (1979) note that ‘after Keynesian macroeconomics’ there is the necessity for developing a new theoretical path for modern macroeconomic theory.

S. Frowen (ed.), *Business, Time and Thought. Conference in Honour of G. L. S. Shackle* (London: Macmillan, 1989).
