the formula determining central grants to state governments should be increased to improve tax efficiency of state governments.

Article Footnote

We would like to thank three anonymous referees of this journal for helpful comments and the editor, Baldev Raj, for encouragement. The research reported in this paper was funded by the Reserve Bank of India. R. Bird, C. Heady, C. Rangarajan, S. S. Tarapore, and A. Vasudevan gave helpful comments on an earlier version of the paper, which came out as DRG Study No. II of the Reserve Bank of India. We also thank participants in an ESRC development economics workshop in LSE and in the 1996 IIPF Congress in Kyoto for helpful comments and George Battese, for making available to us the program used to run the panel data estimation reported in this paper. All opinions expressed in this paper as well as
