

## Financial Literacy 501

BRENDA J. CUDE

First published: 01 June 2010

<https://doi.org/10.1111/j.1745-6606.2010.01168.x>

### Abstract

**The articles in this special issue of *The Journal of Consumer Affairs* focus on financial literacy. The scope of the content spans conceptualization and measurement as well as factors influencing financial literacy and its impact. This editorial prelude suggests one way that educators might use this issue as well as a previous (Summer 2008) special issue of the journal that also focused on financial literacy.**
