Abstract

These papers were presented at a BIS/Korea University conference of central bankers, scholars and market participants held in Seoul on 21-23 March 2004. They should be read as reflecting market conditions at that time.

The views expressed are those of the authors and do not necessarily reflect the views of the BIS or the central banks represented at the meeting.

Individual papers (or excerpts thereof) may be reproduced or translated with the authorisation of the authors concerned.
