Committed to Open Research

Open access accelerates scholarship and strengthens academic communities by making high-quality research easily accessible to scholars around the globe. By making publications more readily available, open access is a key driver in our mission to disseminate knowledge and share transformative ideas with the world.

Degrowth: an idea whose time has come

Amidst the devastation of the world's ecosystems and the unprecedented rise in economic inequalities, should we reconsider our concepts of growth and development? Absolutely! It's time to prioritize both people and the planet. It's time for degrowth.

Embracing Diversity, Equity and Inclusion: Social Justice and the Modern University

Academic institutions worldwide are increasingly embracing the principles of Diversity, Equity, and Inclusion (DEI). As centers of knowledge and information, academic libraries are ideally positioned to promote DEI. But what exactly does DEI entail, and why is it so crucial for libraries today?
