## Economic Development Impacts of Community Wind Projects: A Review and Empirical Evaluation; Preprint

CONFERENCE

Wed Apr 01 00:00:00 EDT 2009

OSTI ID: 952188

Lantz, E; Tegen, S

'Community wind' refers to a class of wind energy ownership structures. The extent of local ownership may range from a small minority share to full ownership by persons in the immediate area surrounding the wind project site. Potential project owners include local farmers, businesses, Native American tribes, universities, cooperatives, or any other local expand >
