Solar Photovoltaic Financing: Deployment by Federal Government Agencies

TECHNICAL REPORT · Wed Jul 01 00:00:00 EDT 2009

DOI: https://doi.org/10.2172/962492 · OSTI ID: 962492

Cory, K; Coggeshall, C; Coughlin, J; Kreycik, C

The goal of this report is to examine how federal agencies can finance on-site PV projects. It explains state-level cash incentives available, the importance of solar renewable energy certificate revenues (in certain markets), existing financing structures, as well as innovative financing structures being used by federal agencies to deploy on-site PV. Specific examples...

Research Organization:

National Renewable Energy Laboratory (NREL), Golden, CO.

Sponsoring Organization:

USDOE

DOE Contract Number:

AC36-99GO10337
