We Care About Your Privacy

We and our 899 partners store and access personal data, like browsing data or unique identifiers, on your device. Selecting "I Accept" enables tracking technologies to support the purposes shown under "we and our partners process data to provide," whereas selecting "Reject All" or withdrawing your consent will disable them. If trackers are disabled, some content and ads you see may not be as relevant to you. You can resurface this menu to change your choices or withdraw consent at any time by clicking the ["privacy preferences"] link on the bottom of the webpage [or the floating icon on the bottom-left of the webpage, if applicable]. Your choices will have effect within our Website. For more details, refer to our Privacy Policy. [Here](#)

Notes

- ¹ GPE disc paper series 29, WHO 2000.
- ² In a companion working paper by the same authors they take on the broader issue of comparing health across countries.
- ³ Since our output measures are in ‘rate’ form, we use health expenditure shares rather than totals to be consistent with our output measures.
