## We Care About Your Privacy

We and our 872 partners store and access personal data, like browsing data or unique identifiers, on your device. Selecting "I Accept" enables tracking technologies to support the purposes shown under "we and our partners process data to provide," whereas selecting "Reject All" or withdrawing your consent will disable them. If trackers are disabled, some content and ads you see may not be as relevant to you. You can resurface this menu to change your choices or withdraw consent at any time by clicking the ["privacy preferences"] link on the bottom of the webpage [or the floating icon on the bottom-left of the webpage, if applicable]. Your choices will have effect within our Website. For more details, refer to our Privacy Policy. [Here](#)

## Acknowledgments

Research support from the MIT Laboratory for Financial Engineering is gratefully acknowledged. We thank Anton Anastasov for excellent research assistance; Tom Brennan, Lisa Goldberg, and Nathan Sosner for helpful comments and discussion; and Jayna Cummings for editorial assistance. The manuscript was improved by the editors of the Financial Analysts Journal, Stephen J. Brown and Steven Thorley, CFA. The views and opinions expressed in this article are those of the authors only and do not necessarily represent the views and opinions of any other organizations, any of their affiliates or employees, or any of the individuals acknowledged above.
