A review of production planning and control: the applicability of key concepts to the make-to-order industry

M. Stevenson *, L. C. Hendry & B. G. Kingsman †

Pages 869-898 | Received 01 Sep 2004, Published online: 22 Feb 2007

Keywords:

- Production planning and control (PPC)
- Make-to-order (MTO)
- Job shop
- Small and medium sized enterprises (SME)
- Workload control (WLC)

Sadly, Professor Brian Kingsman died in August 2003, part way through this research project. His contribution and encouragement are greatly missed by the co-authors.
