Abstract

We Care About Your Privacy

We and our 842 partners store and/or access information on a device, such as unique IDs in cookies to process personal data. You may accept or manage your choices by clicking below, including your right to object where legitimate interest is used, or at any time in the privacy policy page. These choices will be signaled to our partners and will not affect browsing data. [Privacy Policy](#)

We and our partners process data to provide:

Use precise geolocation data. Actively scan device characteristics for identification. Store and/or access information on a device. Personalised advertising and content, advertising and content measurement, audience research and services development.

Notes

1. Jan Van Bavel is at Interface Demography, Vrije Universiteit Brussel, Pleinlaan 2, BE-1050 Brussels, Belgium. E-mail: Jan.VanBavel@vub.ac.be
2. I would like to thank the following colleagues for their helpful comments on earlier versions of this paper: Hans-Peter Kohler, Ron Lesthaeghe, David Reher, Tomáš Sobotka, Frans van Poppel, and Chris Wilson. I am also very thankful to the four anonymous reviewers for their exceptionally thorough reports and many good suggestions. This paper would not have been written without a grant from the Research Foundation of Flanders (FWO-Vlaanderen).
