We Care About Your Privacy

We and our 880 partners store and access personal data, like browsing data or unique identifiers, on your device. Selecting I Accept enables tracking technologies to support the purposes shown under we and our partners process data to provide. Selecting Reject All or withdrawing your consent will disable them. If trackers are disabled, some content and ads you see may not be as relevant to you. You can resurface this menu to change your choices or withdraw consent at any time by clicking the Show Purposes link on the bottom of the webpage. Your choices will have effect within our Website. For more details, refer to our Privacy Policy. [Here](#)

Notes

1. Jan Van Bavel is at Interface Demography, Vrije Universiteit Brussel, Pleinlaan 2, BE-1050 Brussels, Belgium. E-mail: Jan.VanBavel@vub.ac.be
2. I would like to thank the following colleagues for their helpful comments on earlier versions of this paper: Hans-Peter Kohler, Ron Lesthaeghe, David Reher, Tomáš Sobotka, Frans van Poppel, and Chris Wilson. I am also very thankful to the four anonymous reviewers for their exceptionally thorough reports and many good suggestions. This paper would not have been written without a grant from the Research Foundation of Flanders (FWO-Vlaanderen).
