We Care About Your Privacy

We and our 909 partners store and access personal data, like browsing data or unique identifiers, on your device. Selecting "I Accept" enables tracking technologies to support the purposes shown under "we and our partners process data to provide," whereas selecting "Reject All" or withdrawing your consent will disable them. If trackers are disabled, some content and ads you see may not be as relevant to you. You can resurface this menu to change your choices or withdraw consent at any time by clicking the ["privacy preferences"] link on the bottom of the webpage [or the floating icon on the bottom-left of the webpage, if applicable]. Your choices will have effect within our Website. For more details, refer to our Privacy Policy. <u>Here</u>

We and our partners process data to provide:

some of their accomplishments, and develop some new econometric theory that connects with their foundational work.

Acknowledgements

This paper was presented in July 2009 at the New Zealand Association of Economists Conference, Wellington. Thanks are due to Olav Bjerkholt and Deborah Blood for helpful comments on the original version. This research was supported by the NSF under Grant No. SES 06–47086.
