We Care About Your Privacy

We and our 855 partners store and access personal data, like browsing data or unique identifiers, on your device. Selecting "I Accept" enables tracking technologies to support the purposes shown under "we and our partners process data to provide," whereas selecting "Reject All" or withdrawing your consent will disable them. If trackers are disabled, some content and ads you see may not be as relevant to you. You can resurface this menu to change your choices or withdraw consent at any time by clicking the ["privacy preferences"] link on the bottom of the webpage [or the floating icon on the bottom-left of the webpage, if applicable]. Your choices will have effect within our Website. For more details, refer to our Privacy Policy. [Here](#)

Acknowledgments

The authors thank Commonwealth Scholarship Commission-London for providing an Academic Staff Fellowship Award-2007 to PKD and KR is thankful to Director, MNNIT, Allahabad, for providing her institute fellowship. KR also acknowledges Ms. Richa Bhargava, Department of Physics, MNNIT, Allahabad, for her help in carrying out the antibacterial activity. We also express our gratefulness to Dr. Kotu, Sr. Scientist of BRI, Nagda, for the chemical analysis of the chitosan sample, and UGC, New Delhi for the research grant.
