We Care About Your Privacy

We and our 861 partners store and access personal data, like browsing data or unique identifiers, on your device. Selecting "I Accept" enables tracking technologies to support the purposes shown under "we and our partners process data to provide," whereas selecting "Reject All" or withdrawing your consent will disable them. If trackers are disabled, some content and ads you see may not be as relevant to you. You can resurface this menu to change your choices or withdraw consent at any time by clicking the ["privacy preferences"] link on the bottom of the webpage [or the floating icon on the bottom-left of the webpage, if applicable]. Your choices will have effect within our Website. For more details, refer to our Privacy Policy. [Here](#)

Show Purpose

Acknowledgments

I thank my many graduate students, colleagues, and mentors who over the years contributed in multiple ways and many contexts to the body of work presented in this Perspective. I particularly thank Elizabeth Theocharides for her help in assembling some of the census data presented in this article and two anonymous reviewers for their suggestions. The views and opinions are mine and not necessarily those of these individuals and others.

Additional information

Notes on contributors

Robert Cervero

Robert Cervero (robertc@berkeley.edu) is professor emeritus of city and regional planning at the University of California, Berkeley, where he also currently serves as the director of the Center for Urban and Regional Transportation.
