## ABSTRACT

The Residences at Wiley H. Bates Heritage Park is a 71-unit residential living facility in Annapolis, Maryland. The facility is a large, modern, multi-story building that provides a range in size from studio to three-bedroom units. The facility is designed to provide a purpose-built living environment for residents, with a focus on energy efficiency and sustainable living. The facility includes a variety of amenities, including a swimming pool, a fitness center, and a community room. The facility is located in a prime location, with easy access to public transportation and local businesses. The facility is a great place to live, and it is a great investment for anyone looking for a long-term home.

### We Care About Your Privacy

We and our 848 partners store and/or access information on a device, such as unique IDs in cookies to process personal data. You may accept or manage your choices by clicking below, including your right to object where legitimate interest is used, or at any time in the privacy policy page. These choices will be signaled to our partners and will not affect browsing data. [Privacy Policy](#)

We and our partners process data to provide:

Use precise geolocation data. Actively scan device characteristics for identification. Store and/or access information on a device. Personalised advertising and content, advertising and content measurement, audience research and services development.
