We Care About Your Privacy

We and our 857 partners store and access personal data, like browsing data or unique identifiers, on your device. Selecting "I Accept" enables tracking technologies to support the purposes shown under "we and our partners process data to provide," whereas selecting "Reject All" or withdrawing your consent will disable them. If trackers are disabled, some content and ads you see may not be as relevant to you. You can resurface this menu to change your choices or withdraw consent at any time by clicking the ["privacy preferences"] link on the bottom of the webpage [or the floating icon on the bottom-left of the webpage, if applicable]. Your choices will have effect within our Website. For more details, refer to our Privacy Policy. [Here](#)

commodities in question) for many people otherwise trapped in the hangover of colonial power. This may be through gaining increasing control over the commodity chains of which at present they are only the first, fragmented element.

Notes

1. 'Golden Guinea': The guinea came into existence in 1663 under King Charles II and brought to Britain from Guinea by the Africa Company. It would have been worth one pound and one shilling (£1.05).
