Abstract

The recent turn of events in Myanmar has surprised and puzzled those in the West who formerly condemned the military government, yet now seem keen to visit and be seen with Aun Mye Thaw. The situation in Myanmar has changed in the past twenty years, the direction of the country has changed in many years. The many changes in the article will persist.

We Care About Your Privacy

We and our 842 partners store and/or access information on a device, such as unique IDs in cookies to process personal data. You may accept or manage your choices by clicking below, including your right to object where legitimate interest is used, or at any time in the privacy policy page. These choices will be signaled to our partners and will not affect browsing data. [Privacy Policy](#)
