Additional information

Notes on contributors

Ewald Engelen

Ewald Engelen is Professor of Financial Geography at the University of Amsterdam. His interests range from migration and the welfare state to shareholder value and corporate governance. He is currently directing a research project on the decline of the Amsterdam financial centre after financialization

Ismail Ertürk

Ismail Ertürk is Senior Lecturer in Banking at Manchester Business School and a member of the Centre for Research in Socio-Cultural Change (CRESC) at the University of Manchester. His current research interests include corporate governance, emerging markets and the reinvention of banking. Recent books include Financialization at Work (2008) and CRESC's Alternative Banking Report (2009)

Sukhdev Johal

Sukhdev Johal is a Reader in the Management School at Royal Holloway. His expertise is in social and economic statistics. He is currently working on British manufacturing and the national business model and was responsible for argument and exhibits in CRESC's Alternative Banking Report and Working Paper 75 on the national business model

Adam Leaver

Adam Leaver is Senior Lecturer at Manchester Business School and a member of the Centre for Research in Socio-Cultural Change (CRESC) at the University of Manchester. His research interests in financialization include new actors such as hedge funds as well as analysis of the film and music industries. Recent books include Financialization at Work (2008) with Ismail Ertürk et al. and Financialization and Strategy (2006) with Julie Froud et al

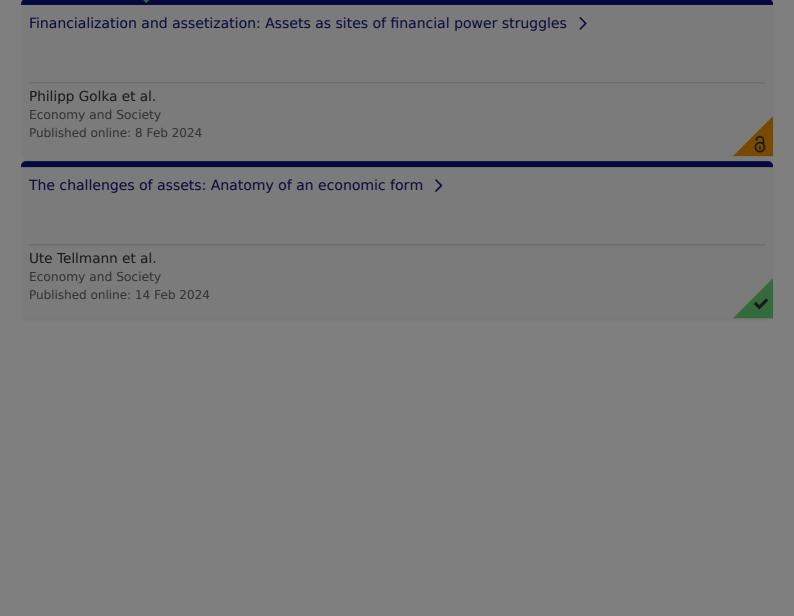

Michael Moran

Michael Moran is Mackenzie Professor in the Politics Department at the University of Manchester. His current research focuses on the politics of the financial crisis from 2007. Recent publications include The British Regulatory State (2007) and articles on the politics of financial regulation and reform, including a contribution to the 2011 Socialist Register
