We Care About Your Privacy

We and our 907 partners store and access personal data, like browsing data or unique identifiers, on your device. Selecting "I Accept" enables tracking technologies to support the purposes shown under "we and our partners process data to provide," whereas selecting "Reject All" or withdrawing your consent will disable them. If trackers are disabled, some content and ads you see may not be as relevant to you. You can resurface this menu to change your choices or withdraw consent at any time by clicking the ["privacy preferences"] link on the bottom of the webpage [or the floating icon on the bottom-left of the webpage, if applicable]. Your choices will have effect within our Website. For more details, refer to our Privacy Policy. [Here](#)

Funding

This research has been funded by WZB Berlin Social Science Center.

Notes

1 This study is part of a larger research project focusing on different policy instruments, governmental arrangements and urban projects introduced in the context of the reconstruction process, for which more than 80 state officials, expert professionals and citizen representatives have been interviewed. Research has been carried out in 2010, 2012 and 2013. See also: [Köhler, 2014](#); [Köhler and Schöndemann, 2014](#); [Köhler and Patz, 2015](#).

Notes

Ignacio Farías is a senior research fellow at the WZB Berlin Social Science Center and research associate of ICSO, Universidad Diego Portales, Chile. He has been a visiting scholar at Harvard University (2013), Goldsmiths College, University of London (2010) and New York University (2007). His main research interests are in the fields of urban studies, science and technology studies and cultural sociology. He has done extensive research on urban disasters and reconstruction processes, urban consumption and tourism, as well as the creative sectors of urban economies. He is co-editor of *Urban assemblages: How actor-network theory changes urban studies* (Routledge, 2008) and author of papers in journals, including *Sociological Review*, *European Journal of Social Theory*, *Space and Culture*, *CITY* and *Mobilities*.
