Abstract

The purpose of this article is to review the real estate programs of several institutions of higher education that have received accreditation by the American Assembly of Collegiate Schools of Business (AACSB). Although the study of real estate is not

considered a core requirement for most business programs, the study of real estate within the business curriculum is an important component of the educational experience. The findings of this study are structured to provide a comprehensive overview of the real estate programs within the business curriculum. The purpose of this study is to prepare
