Abstract

The purpose of this article is to review the real estate programs of several institutions of higher education that have received accreditation by the American Assembly of Collegiate Business Schools International.

Collegiate business schools are not considered to be traditional educational institutions. The findings of this study are structured to prepare real estate professionals to work with these institutions, and the findings of this study are structured to prepare real estate professionals to work with these institutions. The findings of this study are structured to prepare real estate professionals to work with these institutions.

We Care About Your Privacy

We and our 849 partners store and/or access information on a device, such as unique IDs in cookies to process personal data. You may accept or manage your choices by clicking below, including your right to object where legitimate interest is used, or at any time in the privacy policy page. These choices will be signaled to our partners and will not affect browsing data. [Privacy Policy](#)

We and our partners process data to provide:

Use precise geolocation data. Actively scan device characteristics for identification. Store and/or access information on a device. Personalised advertising and content, advertising and content measurement, audience research and services development.
