## We Care About Your Privacy

We and our 854 partners store and access personal data, like browsing data or unique identifiers, on your device. Selecting "I Accept" enables tracking technologies to support the purposes shown under "we and our partners process data to provide," whereas selecting "Reject All" or withdrawing your consent will disable them. If trackers are disabled, some content and ads you see may not be as relevant to you. You can resurface this menu to change your choices or withdraw consent at any time by clicking the ["privacy preferences"] link on the bottom of the webpage [or the floating icon on the bottom-left of the webpage, if applicable]. Your choices will have effect within our Website. For more details, refer to our Privacy Policy. [Here](#)

We and our partners process data to provide:

Show Purpose

## Acknowledgments

An earlier version of this work was published at a conference.

## Notes

<sup>1</sup> The term senior in East Asian culture refers to a person in a position of rank. Seniority is established based on education, lineage, tenure, familial relations or age.

## Additional information

### Funding

This work was supported by a Korea University Business School Research Grant.
