Abstract

Many studies show that e-book awareness and usage is growing. Using vendor-supplied usage statistics for business and economics e-books, the authors sought to determine if a few titles accounted for a large percentage of usage. If proven, the authors hoped to be able to develop collections strategies to maximize e-book usage. Focusing on three provider

We Care About Your Privacy

We and our 842 partners store and/or access information on a device, such as unique IDs in cookies to process personal data. You may accept or manage your choices by clicking below, including your right to object where legitimate interest is used, or at any time in the privacy policy page. These choices will be signaled to our partners and will not affect browsing data. [Privacy Policy](#)

We and our partners process data to provide:

Use precise geolocation data. Actively scan device characteristics for identification. Store and/or access information on a device. Personalised advertising and content, advertising and content measurement, audience research and services development.
