Abstract

We Care About Your Privacy

We and our 843 partners store and/or access information on a device, such as unique IDs in cookies to process personal data. You may accept or manage your choices by clicking below, including your right to object where legitimate interest is used, or at any time in the privacy policy page. These choices will be signaled to our partners and will not affect browsing data. [Privacy Policy](#)

We and our partners process data to provide:

- Use precise geolocation data. Actively scan device characteristics for identification. Store and/or access information on a device. Personalised advertising and content, advertising and content measurement, audience research and services development.

Acknowledgements

We would like to acknowledge the contribution of our research participants, both the older interviewees, as well as the professionals working within with third, private and public sectors that offered up their time to be interviewed as part of this study. We wish to thank the members of the project steering group who offered valuable advice and support to the research team throughout the project. We also would like to thank Bournemouth Foundation for their financial contribution to this research. Finally, the project team is grateful for the financial support of the trustees of the Scottish Accountancy Trust for Education and Research (SATER); without this support, the research would not have been possible.
