We Care About Your Privacy

We and our 870 partners store and access personal data, like browsing data or unique identifiers, on your device. Selecting "I Accept" enables tracking technologies to support the purposes shown under "we and our partners process data to provide," whereas selecting "Reject All" or withdrawing your consent will disable them. If trackers are disabled, some content and ads you see may not be as relevant to you. You can resurface this menu to change your choices or withdraw consent at any time by clicking the ["privacy preferences"] link on the bottom of the webpage [or the floating icon on the bottom-left of the webpage, if applicable]. Your choices will have effect within our Website. For more details, refer to our Privacy Policy. [Here](#)

Acknowledgements

We would like to acknowledge the contribution of our research participants, both the older interviewees, as well as the professionals working within with third, private and public sectors that offered up their time to be interviewed as part of this study. We wish to thank the members of the project steering group who offered valuable advice and support to the research team throughout the project. We also would like to thank Bournemouth Foundation for their financial contribution to this research. Finally, the project team is grateful for the financial support of the trustees of the Scottish Accountancy Trust for Education and Research (SATER); without this support, the research would not have been possible.
