#### Acknowledgements

We would like to acknowledge the contribution of our research participants, both the older interviewees, as well as the professionals working within with third, private and public sectors that offered up their time to be interviewed as part of this study. We wish to thank the members of the project steering group who offered valuable advice and support to the research team throughout the project. We also would like to thank Bournemouth Foundation for their financial contribution to this research. Finally, the project team is grateful for the financial support of the trustees of the Scottish Accountancy Trust for Education and Research (SATER); without this support, the research would not have been possible.
