Pages 77-82 | Published online: 23 Aug 2006

Abstract

Janet Townsend is a Research Fellow in Geography at the University of Durham. Her interest in NGOs came from women pioneer settlers in Latin American rainforests, when Mexican respondents proved to see NGOs as the best prospective outside help.

Emma Mawdsley lectures at Birkbeck College, University of London. In addition to her NGO research, she is working on the environmental beliefs and behaviours of India's middle classes.

Gina Porter is working with Emma Mawdsley and Janet Townsend on a joint study of NGO-state relations in Ghana and India. Her other current research focuses on market access, market institutions, and related urban food-supply issues in Ghana, Nigeria, and Zambia.
