Abstract

Arms transfers are financed through a variety of means, including cash payments,

barter transactions, and other forms of exchange. During the Cold War, however, arms imports were financed by international loans. This is a result of the fact that customers have been able to purchase weapons

the various means provided economic burdens. Overall, the Cold War of the Cold War funding. business due to the 1980s. with off customers and import old among

We Care About Your Privacy

We and our 849 partners store and/or access information on a device, such as unique IDs in cookies to process personal data.
