Notes on contributors

Stuti Bhatnagar is an adjunct fellow at the University of Adelaide, and a Sessional Academic with UNSW. With a PhD in politics and international relations, she specialises in Indian foreign policy and South Asian politics. Her forthcoming book is India’s Pakistan (New Delhi: Routledge, 2023).

Zahid Shaukat is an associate professor at the Centre for International Peace and Globalisation, University of Delhi. He has published several books on international relations in South Asia, including *India and the World: A New Paradigm* and *South Asia: The Role of Superpowers*.

Notes

1 Several scholars have argued that the Indian diaspora in the West, particularly in the United States, has played a significant role in the development of Indian culture and society. This is particularly true of the Indian diaspora in the United States, which has been instrumental in the growth of the Indian American community. The Indian diaspora in the United States has been instrumental in the growth of the Indian American community. The Indian diaspora in the United States has been instrumental in the growth of the Indian American community. The Indian diaspora in the United States has been instrumental in the growth of the Indian American community.
