In the Japanese political arena, gender equality remains elusive. To explore the reasons for that inequality, this paper analyses the gender-specific pattern of political activity in Japan in the post-war period. Building on analyses of feminist theorists, it examines three case studies before proceeding to a discussion of the issue of women's political

The author would like to thank Glenn Hook, Tim Kelly and June McCready for their comments on earlier drafts of this paper; two anonymous reviewers for their invaluable comments; and the Japan Foundation Endowment Committee for research grants which enabled the collection of material relating to case studies one and three.

- ⁴⁵ For example, the Shufuren (the Housewives' Confederation), mothers' conventions, post-war peace movements, a residents' movement in Zushi against the construction of US military facilities, the Seikatsu Club cooperative and the Seikatsusha net. These political movements/activities are discussed in the literature mentioned in footnote 24. Also, see <u>Mackie</u>, Feminism in Modern Japan.
- ⁴⁶ For definition of gender, see <u>Delphy</u>, 'Rethinking sex and gender', 3; <u>Kimmel</u>, The Gendered Society, 1.
- ⁴⁷ It is noteworthy that the sexual division of labour in political activity deprives men of opportunities to act politically. Examining a civil movement in Machi, Niigata, that was opposed to the construction of an industrial waste plant, LeBlanc argues that non-elite men have also been excluded from the local political arena due to their masculine gender. In contrast to women who could exploit their gender role as mothers and wives to successfully impact on the local assembly, non-elite men were hindered from

running maintair LeBlanc,
