## We Care About Your Privacy

We and our 913 partners store and access personal data, like browsing data or unique identifiers, on your device. Selecting "I Accept" enables tracking technologies to support the purposes shown under "we and our partners process data to provide," whereas selecting "Reject All" or withdrawing your consent will disable them. If trackers are disabled, some content and ads you see may not be as relevant to you. You can resurface this menu to change your choices or withdraw consent at any time by clicking the ["privacy preferences"] link on the bottom of the webpage [or the floating icon on the bottom-left of the webpage, if applicable]. Your choices will have effect within our Website. For more details, refer to our Privacy Policy. Here

lings can

help planners identify areas where they may need to target programs that help reduce

barriers to REO sales, particularly to owner-occupiers. By understanding the neighborhood-level determinants of REO dispositions, planners can help promote an equitable recovery and affordable homeownership for low- and moderate-income families.
