# Notes

1 We recognize that the category “Latina” is fluid and porous. As such, Penélope Cruz, who is Spanish, is often categorized by both the popular press and websites as “Latina.” As well, although Cameron Diaz is currently (February 2004) Hollywood’s highest paid actress, only Latina magazine claims her as Latina. Neither she nor most coverage of her ever mentions her Latinidad.

2 [Sinclair \(1999\)](#) notes that many of these industry officials come from the Latin American media and middle class and reinscribe the outsider status of U.S. Latina/os and U.S. Latina/o popular culture.

3 Madonna also tried to produce a biopic of Kahlo. A Mexican-produced biopic predates all three U.S. attempts.
