Acknowledgment

We thank Dr. Kaveri Subrahmanyam for her valuable feedback to the manuscript draft, and the anonymous reviewers and the Editor for their constructive comments, which helped improve the manuscript.

Conflict of interest

There is no conflict of interest.

Notes

¹It was intriguing that the Instagram scale displayed a different factor structure from the Facebook and Twitter scales despite the similar items included. Different modes of communication (directed interaction and broadcasting) were distinguished only on Instagram. Different from Facebook and Twitter, Instagram is a photo and video sharing

when the an exclumedia us than on structure
