Notes on contributor

Christian Hagemann is a post-doctoral research fellow and lecturer in policy analysis at the Bavarian School of Public Policy at the Technical University in Munich, Germany.

Notes

1. The model is based on the assumption that the institutionalisation of the EU is a process of learning from experience and that the EU is a system of shared capacities.
2. INUS is an acronym for Institutionalisation of the New Union, which is the title of the book by the author.
