We Care About Your Privacy

We and our 861 partners store and access personal data, like browsing data or unique identifiers, on your device. Selecting "I Accept" enables tracking technologies to support the purposes shown under "we and our partners process data to provide," whereas selecting "Reject All" or withdrawing your consent will disable them. If trackers are disabled, some content and ads you see may not be as relevant to you. You can resurface this menu to change your choices or withdraw consent at any time by clicking the ["privacy preferences"] link on the bottom of the webpage [or the floating icon on the bottom-left of the webpage, if applicable]. Your choices will have effect within our Website. For more details, refer to our Privacy Policy. [Here](#)

27. Nehemia Shtrasler, "The Dollar Dive/No Crisis, No Disaster," *Haaretz*, April 14, 2007, wrote, 'In June 2002 Israel went into panic mode when the dollar climbed to an all-time high of five shekels. Everyone wondered whether it would break the five-shekel psychological barrier and reach six to the dollar.'
28. According to an article in the *New York Times*, "The Markets: Stocks & Bonds; Nasdaq Index Tumbles 3%, to Its Lowest Point This Year," June 20, 2002, even the Dow Jones and Nasdaq indices fell due to the terrorism in Israel. The article reports, 'The selling was accelerated by the second suicide bombing in Israel in as many days. Analysts said the bombing gave investors already skeptical about second-quarter earnings...'
