

On Tuesday 1 July 2025, 04:00-21:00 GMT, we'll be making some site updates on Taylor & Francis Online. You'll still be able to search, browse and read our articles, where access rights already apply. Registration, purchasing, activation of tokens, eprints and other features of Your Account will be unavailable during this scheduled work.

We Care About Your Privacy

We and our 909 partners store and access personal data, like browsing data or unique identifiers, on your device. Selecting "I Accept" enables tracking technologies to support the purposes shown under "we and our partners process data to provide," whereas selecting "Reject All" or withdrawing your consent will disable them. If trackers are disabled, some content and ads you see may not be as relevant to you. You can resurface this menu to change your choices or withdraw consent at any time by clicking the ["privacy preferences"] link on the bottom of the webpage [or the floating icon on the bottom-left of the webpage, if applicable]. Your choices will have effect within our Website. For more details, refer to our Privacy Policy. Here

Notes

[1] This quote and all other quotes in the article have, unless explicitly stated, been translated by the author from Danish to English. Since this study focuses on vernacular communicative practices, and in order to preserve the original feel of the sentence, in translation it has been a priority to keep a wording as close to the original as possible even if it may result in a somewhat clumsy English phrasing.
