confined to vocational education, but instead regarded as the very warp-and-weft of liberal education.

Acknowledgements

I am deeply indebted to Elizabeth Coghill, who undertook much of the interviewing, collation and preliminary analysis of the data reported here, and to Gina Koczberski, whose ongoing association with this series of studies and critical feedback is highly valued.

Notes

Anthea Taylor is currently a Visiting Research Fellow at the Australian Institute of Aboriginal and Torres Strait Islander Studies, Australian Capital Territory.

These projects were variously funded by the South East Metropolitan Area Consultative Committee (1999), The Western Australian Department of Training and Employment (2000), The Building and Construction Industry Training Fund (2000). The National Centre for Vocational Education Research (2000). The Western Australian Department of Training and Employment (2000).
