## We Care About Your Privacy

We and our 899 partners store and access personal data, like browsing data or unique identifiers, on your device. Selecting "I Accept" enables tracking technologies to support the purposes shown under "we and our partners process data to provide," whereas selecting "Reject All" or withdrawing your consent will disable them. If trackers are disabled, some content and ads you see may not be as relevant to you. You can resurface this menu to change your choices or withdraw consent at any time by clicking the ["privacy preferences"] link on the bottom of the webpage [or the floating icon on the bottom-left of the webpage, if applicable]. Your choices will have effect within our Website. For more details, refer to our Privacy Policy. Here

- 2. Strata titles were first introduced in New South Wales in 1961 and subsequently extended to other Australian states, Canada and some countries in Asia.
- 3. ABS, Census of Population and Housing, Data Dictionaries (various years). The term "tenure type" was not used by the ABS until the 1996 census. Prior to that date, the derived variable was "nature of occupancy".
