the role of the competent authorities remain unanswered. The aim of this paper is to analyze the barriers to building up a coherent and harmonized liability system without the conceptual fragmentation of the past as well to present comparatively the main procedural and substantive variations among Member States stemming from the national transposition and application of the ELD.

Keywords: Environmental damage Environmental liability Directive 2004/34/EC

Acknowledgments

The present study was realized in the framework of “Iky Fellowships of Excellence for Postgraduate Studies in Greece—Siemens Program”.

Notes

Presented at the 12th International Conference on Protection and Restoration of the Environment (PRE XII) 29 June—3 July 2014, Skiathos Island, Greece
