The field of entrepreneurship and its research has reached an critical and invigorating juncture. Researchers are challenged to be comprehensive, varied, and innovative in their approaches to the study of entrepreneurship. New and emerging future research must met this challenge to impact and sustain our complex world in which entrepreneurship plays such a vital role. The Entrepreneurship Research Journal provides a new and exciting venue for researchers to share and interact among their respective disciplines in new and different ways and to meet the research challenges now and in the future.
