## We Care About Your Privacy

We and our 854 partners store and access personal data, like browsing data or unique identifiers, on your device. Selecting "I Accept" enables tracking technologies to support the purposes shown under "we and our partners process data to provide," whereas selecting "Reject All" or withdrawing your consent will disable them. If trackers are disabled, some content and ads you see may not be as relevant to you. You can resurface this menu to change your choices or withdraw consent at any time by clicking the ["privacy preferences"] link on the bottom of the webpage [or the floating icon on the bottom-left of the webpage, if applicable]. Your choices will have effect within our Website. For more details, refer to our Privacy Policy. [Here](#)

## Acknowledgements

The authors thank Yu Zhang and Yuh-Fang Lee for assistance in administering the experiment, Alexander Sergeev for advice on statistical analysis, and Juliana Gursky for editorial assistance. We also thank two anonymous reviewers for their helpful comments. This research was partially supported by a faculty development fund from the Honors Tutorial College at Ohio University.
