Abstract

This book includes a highly entertaining memoir, a treatise on investment principles, and an exhaustive report on the author's tenure as manager of the Windsor Fund.

Notes

¹The index consists of NYSE stocks ranked in the bottom 45 percent by market capitalization and in the top 30 percent by book-to-market value together with the Amex and Nasdaq National Market System stocks that would rank similarly if listed on the NYSE.

The reviewer thanks Meir Statman, Marc Reinganum, Martin Gruber, and Cecilia Fok for their advice and assistance.
